

5th Annual

At Ryan Creek Meadows

6/16/2011-6/18/2011

Ladies and Gentleman,

It's time once again for the "Love Your Mother Earth" Festival. That's right, it's time to get your dancing shoes on and come out to play. Over 50 musical acts on FOUR stages are slated to get you moving at this year's festival. The 5th Annual "Love Your Mother Earth" Festival will be taking place on June 16-18, 2011 at Ryan's Creek Meadows. Featuring over 50 musical acts on FOUR stages, plus VJs, live painters, aerialists, and SO MUCH MORE, this is one of the best times to be had in Montana! The venue is nestled in the beautiful Sapphire Mountains and offers plenty of FREE on-site camping. There is also close access to swimming, fishing, hiking and floating!

This year promises to be the best yet! And, as always, we will have Sustainable Living and Art Workshops, Enlightening Speakers, Kid's Activities, Art Installations, Vendors, Live Painting, Fire performers, Bonfire and Drum Circles, the High Flying aerial arts of Raven Summer and much more!

Joining us this year to grace our stages will be:

Electronic Producers
